

ST. BASIL PRESCHOOL

A N.A.E.Y.C. Accredited Program

Encourage Lifelong Learning with the Right Beginning....

St. Basil Preschool is a nonprofit outreach ministry of St. Basil Greek Orthodox Church serving children of all faiths two through five years of age. Our developmental program has been designed to meet the needs of the whole child. Active "hands on" learning opportunities which promote social, emotional, cognitive, physical, and spiritual growth fill each day.

St. Basil Preschool offers full and half day sessions, Monday through Friday. Schedules are designed to accommodate working parents as well as parents in search of a part time enrichment program.

St. Basil Preschool operates year-round, 7:30 AM to 5:30 PM, except for legal and seasonal holidays. Half-day session begins at 9:00 AM and ends at 12:00 PM for our 3 and 4 year-old classes.

The accredited teaching staff of qualified Early Childhood Professionals exceeds the State of California Educational and Experience Requirements for preschool instructors. In addition, the teacher to child ratio at St. Basil Preschool is continually lower than the State of California minimum requirement of 1:12.
